Friends of the Pugwash Estuary

On a volunteer and non-profit basis the objectives of the society are:

- To establish, operate and maintain a nature conservancy and outdoor interpretive center to preserve, maintain and educate the public about the ecosystem and environment in the Pugwash Estuary.
- To educate the public about the ecosystem and environment of the Pugwash Estuary through tours, public media articles, printed materials, and public speaking events
- To work with other registered Canadian charities and public authorities to protect, preserve, monitor and guide the stewardship of the environment and resources of the Pugwash Estuary
